Diana,

Thanks for your e-mail, & please say hello to Carol for me.

I have consulted our CASPIA system to obtain answers to your questions. CASPIA provides the following info.:

- (1) A Demand Form PCT/IPEA/401 was filed with relation to PCT/DE96/02120 on 05 June 1997, which was before the expiration of 19 months from the priority date (17 June 1997).
- (2) According to CASPIA the US was an elected state in said Demand Form PCT/IPEA/401.

I have ordered the file to confirm the info. that CASPIA has provided, in the event that the file does not confirm the info. I have passed on to you, I'll e-mail you immediately.
